FOR IMMEDIATE RELEASE

HIGHWAY 1 SLIDE DEBRIS REMOVAL NORTH OF DAVENPORT BEGINS

SANTA CRUZ COUNTY – Crews began a slide debris removal project today along a one-mile segment of Hwy. 1, eight miles north of Davenport just north of Waddell Creek Bridge, Caltrans officials have announced.

Roadwork consists of shoulder closures and one-way reversing traffic control with flaggers. Work hours are Monday through Thursday from 7 am to 6 pm and Friday from 7 am to 3 pm. Motorists can expect a delay not to exceed 5 minutes. This project is expected to be complete by mid-November, weather permitting.

Electronic message signs will be posted to alert motorists of this work.

The contractor for this \$155,000 project is J. Robert Frank Construction, Inc. of Redding, CA.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.

For more information on this project and for traffic updates on other Caltrans projects in Santa Cruz County, residents can call the District 5 toll free number at 1-831-423-0396 or can visit our website at: <http://www.dot.ca.gov/dist05/paffairs/release.htm#scr>
